NOTE:

This questionnaire has been annotated to aid data users in matching SESTAT variables to the questionnaire. Red text boxes next to questions contain names of SAS variables populated with responses to that question.

Variables derived from reported information (i.e., recodes) are noted in blue text boxes and placed near the variables or questions used to create the recodes.

- * denotes variables available in both the public and restricted use datasets
- ** denotes variables available only in the public use dataset

All other variables are available only in the restricted use dataset.

INSTRUCTIONS

Thank you for taking the time to complete this questionnaire. Directions for filling it out are provided with each question.

- In order to get comparable data, we will be asking you to refer to the week of February 1, 2013, when answering most questions.
- Follow all appropriate skip instructions after marking a box. If no skip instruction is provided, you should continue to the next question.

Thank you again for your help; we really appreciate it.
